BEIJING EATS

by Eileen Wen Mooney

A Food-Lover's Companion
to China's Culinary Capital

中国人口出版社

It's all been said now. And, as far as food goes, the rest of us writing Beijing guides might just as well hang up our chopsticks.

– Peter Neville-Hadley

Eileen Wen's no-nonsense approach and discerning palate doesn't just lead you to the treasures in China's capital, but to a deeper appreciation of why China is the world's capital of eating.

– John Krich, author of *Won Ton Lust* and former Wall Street Journal Asia food columnist
